

## SECURITY

---

*You find the finest security devices incorporated in all our products, whether Windows, French Doors or Front Doors.*

*Every opener has a key operated locking device, so it stays locked. Every door is specially constructed, so it withstands forced entry.*

*All glass is either double skin, extra thick or toughened, so it provides much more protection than ordinary glass.*

*To give you peace of mind that your home is secure is a foremost concern of The Original Box Sash Window Company'.*
